

DALLAS AREA MUNICIPAL AUTHORITY

The Dallas Area Municipal Authority is changing their recycling methods. We will still be collecting all recycling, every week, and on the same day as we collect your trash. This change is we will be collecting multi-stream instead of single stream. This will allow us us to keep recycling costs down, provide the recycle market with a better-quality material, and still provide a high-quality service to you. We will be dropping off two (2) new recycle bins for each household. The **yellow** bin is for **glass** jars and bottles. The **red** bin for plastics, aluminum, tin, and steel cans. All mixed paper and cardboard must be broken down placed in your old green bin, blue bin, or bundled. **Clear bags** can also be used for recycling if it is separated. Thank you for your continued support and participation in making recycling truly work.

Recycling Items Accepted in Yellow Bin (GLASS)

- **Glass Bottles and Glass Jars (Please Rinse before placing in bin)**

Recycling Items Accepted in Red Bin (PLASTIC, ALUMINUM, TIN, & STEEL)
