Teamwork, Leadership & Responsibility

Are you looking for a way to give back to your community? Volunteering with your local fire department is a challenging and rewarding opportunity that can fulfill that desire.

Dallas Township is fortunate to be the home of two progressive and advancing fire departments currently accepting new members. Depending on your interests, you could volunteer as a firefighter, provide administrative support, help with community outreach events, or even assist with fundraising. There is something for everyone at any skill level.

Back Mountain Regional Fire and EMS is an inspiring organization that relies on

the dedication and hard work of volunteers and paid personnel to serve the community. The volunteers at Back Mountain Regional Fire & EMS pride themselves in their organizational values of teamwork, service and dedication. They are an equal opportunity organization and encourage diversity in their system. New volunteers are always welcome to join their team to help better serve the people of our area. No experience is necessary to join. Back Mountain Regional Fire & EMS provides training for all of their volunteers.

If you're looking to make a difference in your community, volunteering with Kunkle Fire & Ambulance is a great way to do it! Kunkle Fire & Ambulance proudly serves the communities of Dallas Township and Monroe Township, covering an estimated population of 10,115 and bordered by Dallas, Franklin Twp, Harveys Lake, Northmoreland, Noxen, and Tunkhannock. Whether you want to help on the front lines of fires, accidents, and medical emergencies, or you'd like to take on a more supportive role, Kunkle Fire & Ambulance is always looking for volunteers. Best of all, no

experience is necessary as Kunkle Fire & Ambulance provides training for all volunteers.

If you have a young adult between 14-18 years old, a Junior Firefighter program is a fantastic way to provide them with hands-on learning experiences. Both fire departments offer this type of program.

Junior Firefighters receive weekly training alongside veterans, as well as the opportunity to attend dedicated training events with other Junior Firefighters from across the region at certified training facilities. This is an excellent way for them to build skills such as teamwork, leadership, and responsibility, and to add to their college resumes. Volunteering with the local fire department is an important step for any young adult looking to build their skills and gain experience.

To learn more about volunteer opportunities with these departments, please visit Back Mountain Regional Fire & EMS's website at dallasfa.com, or Kunkle Fire & Ambulance's website at kunklefire.com

ROAD DEPARTMENT NEWS

The Dallas Township Road Department has been working hard this season to keep our roads safe and in good condition. They have been diligently patching potholes as they appear, maintaining small equipment, and replacing or installing street signs as needed. They have also been making sure that they are prepared for any snow or wintery weather that may come our way. We are grateful for their commitment to keeping our roads safe and well-maintained for all of us!

UP COMING EVENTS

March 7, 2023: Supervisors Meeting - 6:30PM

March 14, 2023: Planning Commission Meeting - 7:00PM

March 20, 2023: Zoning Hearing Board Meeting - 6:30PM

TBA: Neighborhood Watch Meeting - 6:30PM

All township meetings are open to the public. If you wish to attend virtually, the Township Supervisors ask that you call or email: meetings@dallastwp.org to reserve your spot. The meetings will still be streamed LIVE on the Dallas Township Facebook page. The only exclusion is the Neighborhood Watch and Zoning Hearing Board Meetings.

WINTER PARKING:

Residents are reminded that the winter parking ordinance is now in effect. Parking is restricted on the Township streets during snow and inclement weather and for 8 hours afterwards.

We would like to extend our sincerest gratitude to Mr. Clarence Michael, Post 672 Historian, for the beautiful print presented to the Township Supervisors and Police Department on behalf of the American Legion Daddow-Isaacs Post 672. The artwork is an incredible tribute to the men and women of Post 672 and their achievements. We are honored that it will be proudly displayed at the Dallas Township Administration Office and the Dallas Township Police Station. Thank you for your generosity and continued dedication to your community.
