North Main Street Emergency Streambank Stabilization

On January 9, 2024, the Dallas Township and Kingston Township Road Departments worked together to reinforce the Toby Creek wall along North Main Street on the township border. The temporary repairs were necessary to prepare for future rain events and the potential rapid melting of snow from previous snowfalls.

Under the supervision of John Levitsky from the Luzerne Conservation District, crews worked diligently to place large rocks and boulders along the creek wall while also clearing debris from the creek bed and shoreline.

Although this temporary solution is effective, a more permanent fix is currently in development. Stay tuned for further details as they become available.

Sago Street Road Closure

Starting January 22, 2024, Sago Street, located off SR 309 Highway, will undergo temporary closure as PennDOT is working to replace and/or repair the sanitary sewer inlet manhole covers. This initiative is a part of PennDOT's continuous efforts within the broader box culvert project. Detours are in place for local traffic.

Road Department News

Christmas tree pick-up is in full swing and will continue until the end of January. To ensure a smooth pick-up, please place your tree curbside. Avoid leaving it on the road, and be sure to remove the tree stand, lights, ornaments, hooks, garland, and all other decorations. Do not place your tree in a bag, as the trees will be composted. Thank you in advance for your cooperation. We wish you a fantastic start to the New Year!

Upcoming Events

January 25, 2024 - 6:30 PM
Neighborhood Watch Meeting

February 6, 2024 - 6:30 PM
Supervisors' Meeting

February 13, 2024 - 7:00 PM
Planning Commission Meeting

February 19, 2024 - 6:30 PM

ARPA Heating & Utility Assistance Program

Luzerne County residents may be eligible for a one-time direct disbursement of \$290 to your heating-related utility provider.

The purpose of the program is to provide direct assistance to moderate-income Luzerne County households that were impacted by the COVID-19 Pandemic. The cost of utilities, heat in particular, can be a financial burden for moderate-income households and this

program is designed to provide support to households that do not otherwise qualify for utility assistance.

Go to www.ceopeoplehelpingpeople.org and click on the link for the Luzerne County ARPA (American Rescue Plan Act) Heating & Utility Assistance Program to see if your family qualifies.

Officer Mynes Graduates HACC Police Academy

Officer Daelyn Mynes has officially graduated from the HACC Police Academy on December 21, 2023. During our last Supervisors' Meeting, Chairman Bill Grant swore in Officer Mynes while she was dressed in full uniform. Officer Mynes has commenced the department's Field Training Program and is now working alongside our experienced FTO team.

Celebrating National Law Enforcement Appreciation Day

January 9th is recognized in the United States as National Law Enforcement Appreciation Day. It's a day dedicated to expressing our gratitude towards the relentless efforts of our officers. SRO Officers Kotowski and Posten were warmly welcomed by the talented first graders at Wycallis Primary Center. The students created a special banner to show their appreciation on Law Enforcement Appreciation Day. We are beyond grateful for the unwavering support and gratitude shown by our community, It is heartwarming to see such outpouring of love and support toward our officers.
